Sir:

In response to the Office Action dated May 20, 2005, the date for response to which is September 20, 2005, with a one-month extension of time, please reconsider the patentability of the pending claims based on the following remarks.

In the Office Action, claims 1-14 were rejected under the judicially created doctrine of double patenting over claims 1-8 of U.S. Patent No. 6,473,622 to Meuronen. Without taking a position with respect to the merits or substance of this rejection and while preserving the right to distinguish over the cited reference, which is commonly owned, Applicants submit herewith a Terminal Disclaimer in compliance with 37 C.F.R. §1.321(c) to overcome the rejection. Accordingly, Applicants respectfully submit that this rejection is moot.

The rejection having been addressed, it is respectfully submitted that the present application is in a condition for allowance and a Notice to that effect is earnestly solicited.

If any point remains in issue which the Examiner feels may be best resolved through a personal or telephone interview, please contact the undersigned at the telephone number listed below.
